We have been pretty lucky here in North America to have received our "Welcome Back" package from Sony as soon as it became available. Some other regions like Japan had to wait a little bit longer to get the package and the official game listings (along with all the other perks) that came along with this generous package that Sony put together to make up for lost time after the PSN was offline for almost a month.

So we thought a list of all the games that were released for the Welcome Back program from Sony would be handy since these packages change by region, they all come from different sources, because Sony has announced these packages through several outlets and have no centralized lists anywhere. Here they are the details of the Welcome back program by region.

Welcome Back Program Details for Asia:

PS3:

Come on, LocoRoco!! BuuBuu Cocoreccho!
Trash Box
Hustle King
WipeOut HD

PSP

Everybody's Stress Buster (Minna no Sukkiri)
LittleBigPlanet
LocoRoco Midnight Carnival
ModNation Racers

Now that some PlayStation Network and Qriocity services have been restored and you're once again enjoying online gaming and entertainment, we're happy to provide details about the "Welcome Back" appreciation program for customers in North America. We developed the program as an expression of our gratitude for your patience, support and continued loyalty during the service outage. From all of us at PlayStation, thank you and welcome back!

This package will be made available to all existing registered PlayStation Network and Qriocity users in North America (US and Canada), and will be made available shortly after we have fully restored the service. More specific details about these offers and eligibility requirements will be posted as the services go live.

All PlayStation Network customers can select two PS3 games from the following list. The games will be available for 30 days shortly after PlayStation Store is restored and can be kept forever.

Dead Nation
inFAMOUS
LittleBigPlanet
Super Stardust HD
Wipeout HD + Fury

For PSP owners, you will be eligible to download two PSP games from the following list. The games will be available for 30 days shortly after PlayStation Store is restored and can be kept forever.

LittleBigPlanet (PSP)
ModNation Racers
Pursuit Force
Killzone Liberation

A selection of "On Us" rental movie titles will be available to PlayStation Network customers over one weekend, where Video Service is available. Those titles will be announced soon.

30 days free PlayStation Plus membership for non PlayStation Plus subscribers. Existing PlayStation Plus subscribers will receive an additional 60 days of free subscription.

Existing Music Unlimited Premium Trial subscription members will receive an additional 30 days of free premium subscription.

Additional 30 days + time lost for existing members of Music Unlimited Premium/Basic subscription free of charge for existing Premium/Basic members.

To welcome users Home, PlayStation Home will be offering 100 free virtual items. Additional free content will be released soon, including the next addition to the Home Mansion personal space, and Ooblag's Alien Casino, an exclusive game.

We'd like to thank all of our publishing and development partners who've contributed to the Welcome Back program, including Bigbig Studios, Codeglue, Digital Leisure, Guerilla Games, Heavy Water, Housemarque, Lockwood, Loot, Mass Media, Media Molecule, SCE Cambridge Studios, SCE Studio Liverpool, SCE San Diego Studios, and Sucker Punch Productions. We couldn't have created such a compelling package without them!

As a reminder, you will be able to access the above content shortly after services are fully restored. We are doing everything we can to make that happen as soon as possible. Please visit the following sites for more information about the Welcome Back program in Europe and Latin America.

Thank you again for your support!

- **Existing PlayStation Plus subscribers will be given 60 days free subscription.**
- For existing Music Unlimited subscribers, you will be given 30 days free subscription.
- **We are working on a Welcome Back offer in PlayStation Home and will share that when it is confirmed.**

I would like to thank all of the developers and publishers involved in this programme for their support in making this happen. We certainly couldn't have done it without you.

You will be able to access this content once PlayStation Store comes back online and we are doing everything we can to make that happen as soon as possible.

Thank you for your support and keep checking back on the blog for more information.

1. For eligibility for the welcome back programme consumers must be an account holder on 20 April 2011. Specific details about these offers and eligibility requirements will be posted as the services go live. All existing PSN registrants have 30 days from when the welcome back programme goes live to redeem their content.

2. For the German market, InFamous and Dead Nation will be replaced with Super Stardust HD and Hustle Kings in the selection of PS3 games.

3. For the German market, Pursuit Force and Killzone Liberation will be replaced with Everybody's Golf 2 and Buzz Junior Jungle Party in the selection of PSP games. Killzone Liberation will not offer online gameplay functionality.

4. Access to the 30 days free PS Plus subscription is only available for those countries where PS Plus is offered. You will have access to the PS Plus content planned for May for 30 days. Access to the free games and exclusive features finishes at the end of the 30-day subscription period. Anything you buy with exclusive discounts, dynamic themes and premium avatars are yours to keep forever.
